

MANDARIN®

MUNCHKINS

Red envelopes are special envelopes filled with money, typically given to children to bring good luck and happiness for the new year. Create your own lucky red envelope below with a special symbol “福” (fu), meaning good fortune. Colour the envelope red, use gold or yellow for the symbol “福”, cut out the envelope and fold along the dotted lines. Apply glue to the envelope edges where it says ‘glue’ and assemble your lucky red envelope!
